For clarification purposes, no additional amounts will be paid in case that the relevant Fiscal Agent has not complied with conditions (i) to (vi) set out above.

3 Form, Denomination, Title and Transfer

- (a) *Bearer Notes*: Bearer Notes are in the Specified Denomination with Coupons and, if specified in the relevant Final Terms, Talons attached at the time of issue.
- (b) *Title to Bearer Notes*: Title to Bearer Notes and the Coupons will pass by delivery. In the case of Bearer Notes, “**Holder**” means the holder of such Bearer Note and “**Noteholder**” and “**Couponholder**” shall be construed accordingly.
- (c) *Registered Notes*: Registered Notes are in the Specified Denomination.
- (d) *Title to Registered Notes*: Title to the Registered Notes shall pass by registration in the register (the “**Register**”) that the Registrar will maintain in accordance with the provisions of the Agency Agreement. A certificate (each, a “**Note Certificate**”) will be issued to each Holder of Registered Notes in respect of its registered holding. Each Note Certificate will be numbered serially with an identifying number which will be recorded in the Register. In the case of Registered Notes, “**Holder**” means the person in whose name such Registered Note is for the time being registered in the Register (or, in the case of a joint holding, the first named thereof) and “**Noteholder**” shall be construed accordingly.

No person shall have any right to enforce any term or condition of any Note under the Contracts (Rights of Third Parties) Act 1999.
- (f) *Transfers of Registered Notes*: Subject to paragraphs (i) (*Closed periods*) and (j) (*Regulations concerning transfers and registration*) below, a Registered Note may be transferred upon surrender of the relevant Note Certificate, with the endorsed form of transfer duly completed, at the Specified Office of the Registrar or any Transfer Agent, together with such evidence as the Registrar or (as the case may be) such Transfer Agent may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; provided, however, that a Registered Note may not be transferred unless the principal amount of Registered Notes transferred and (where not all of the Registered Notes held by a Holder are being transferred) the

principal amount of the balance of Registered Notes not transferred are in the Specified Denomination. Where not all the Registered Notes represented by the surrendered Note Certificate are the subject of the transfer, a new Note Certificate in respect of the balance of the Registered Notes will be issued to the transferor. In case of a transfer of Registered Notes to a person who is already a Holder of Registered Notes, a new Note Certificate representing the enlarged holding shall only be issued upon surrender to the Transfer Agent of the Note Certificate representing the existing holding.

- (g) *Registration and delivery of Note Certificates:* Within 5 business days of the surrender of a Note Certificate in accordance with paragraph (f) (*Transfers of Registered Notes*) above, the Registrar will register the transfer in question and deliver a new Note Certificate of a like principal amount to the Registered Notes transferred to each relevant Holder at its Specified Office or (as the case may be) the Specified Office of any Transfer Agent or (at the request and risk of any such relevant Holder) by uninsured first class mail (airmail if overseas) to the address specified for the purpose by such relevant Holder. - (i) *Closed periods:* Noteholders may not require transfers to be registered during the period of 15 days ending on the due date for any payment of principal or interest in respect of the Registered Notes.
- (j) *Regulations concerning transfers and registration:* All transfers of Registered Notes and entries on the Register are subject to the detailed regulations concerning the transfer of Registered Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Noteholder who requests in writing a copy of such regulations.

4 Status and Guarantee

- (a) *Status of Notes:* The Notes constitute direct, general, unconditional and (subject to Condition 5 (*Negative Pledge*)) unsecured obligations of the Issuer and in the event of insolvency (*concurso*) of the Issuer (unless they qualify as subordinated debts under Article 281 of *Real Decreto Legislativo 1/2020, de 5 de mayo, por el que se aprueba el texto refundido de la Ley Concursal* (as amended the “**Spanish Insolvency Law**”) or equivalent legal provision which replaces it in the future and subject to any legal and statutory exceptions) will rank *pari passu* without any preference among themselves and with all other outstanding unsecured and unsubordinated obligations of the Issuer, present and future.

In the event of insolvency (concurso) of the Issuer, under the Spanish Insolvency Law, claims relating to the Notes (which are not subordinated pursuant to Article 281 of the Spanish Insolvency Law) will be ordinary credits (créditos ordinarios) as defined in the Spanish Insolvency Law. Ordinary credits rank below credits against the insolvency state

(créditos contra la masa) and credits with a privilege (créditos privilegiados). Ordinary credits rank above subordinated credits and the rights of shareholders.

Accrued and unpaid interest due in respect of the Notes at the commencement of an insolvency proceeding (concurso) of the Issuer will qualify as subordinated credits. Accrual of interest on the Notes shall be suspended as from the date of any declaration of insolvency (concurso) in relation to the Issuer.

- (b) *Guarantee:* The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Notes and Coupons on an unsubordinated basis. The obligations of the Guarantor in respect of Notes constitute direct, general, unconditional and (subject to Condition 5 (*Negative Pledge*)) unsecured obligations of the Guarantor and in the event of insolvency (*concurso*) of the Guarantor (unless they qualify as subordinated under Article 281 of the Spanish Insolvency Law or equivalent legal provision which replaces it in the future and subject to any legal and statutory exceptions) will rank *pari passu* with all other unsecured and unsubordinated obligations of the Guarantor, present and future. Its obligations in that respect (the “**Guarantee**”) are contained in the Deed of Guarantee.

5 Negative Pledge

So long as any Note remains outstanding, neither the Issuer nor the Guarantor shall, and the Guarantor shall procure that none of its Subsidiaries will, create or permit to subsist any Security Interest (other than a Permitted Security Interest) upon the whole or any part of its present or future undertaking, assets or revenues (including uncalled capital) to secure any Relevant Indebtedness or guarantee of Relevant Indebtedness without (a) at the same time or prior thereto securing the Notes equally and rateably therewith or (b) providing such other security for the Notes as may be approved by an Extraordinary Resolution of Noteholders.

6 Fixed Rate Note Provisions

- (a) *Application:* This Condition 6 is applicable to the Notes only if the Fixed Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 12 (*Payments - Bearer Notes*) and Condition 13 (*Payments - Registered Notes*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder, and (ii) the day which is 7 days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Fixed Coupon Amount:* The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.
- (d) *Calculation of interest amount:* The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the

relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a “**sub-unit**” means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means 1 cent.

7 Floating Rate Note Provisions

- (a) *Application:* This Condition 7 is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 12 (*Payments - Bearer Notes*) and Condition 13 (*Payments - Registered Notes*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder, and (ii) the day which is 7 days after the Fiscal Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Screen Rate Determination – Floating Rate Notes referencing EURIBOR:* If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:
 - (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (ii) if Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to 2 rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, where:
 - (A) one rate shall be determined as if the relevant period were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (B) the other rate shall be determined as if the relevant period were the period of time for which rates are available next longer than the length of the relevant Interest Period;

provided, however, that if no rate is available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Financial Adviser (as defined below) shall determine such rate at such time and by reference to such sources as it determines appropriate;

- (iii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (iv) if, in the case of (i) above, such rate does not appear on that page or, in the case of (iii) above, fewer than 2 such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) upon the Issuer's request, to the extent legally and practicably possible, assist the Issuer with requesting the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and
 - (B) determine the arithmetic mean of such quotations; and
- (v) if fewer than 2 such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Issuer, at approximately 11.00 a.m. (Brussels time) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; provided, however, that if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

- (d) *Screen Rate Determination – Floating Rate Notes Referencing SONIA*: If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined and the Final Terms specify that the Reference Rate is SONIA, the Rate of Interest for each Interest Period will be calculated in accordance with Condition 7(d)(i), Condition 7(d)(ii) or Condition 7(d)(iii) below, subject to the provisions of Condition 7(d)(v) and Condition 7(d)(vi) below, as applicable:
 - (i) Where the Calculation Method is specified in the relevant Final Terms as being "Compounded Daily SONIA", the Rate of Interest for each Interest Period will be the Compounded Daily SONIA plus or minus (as indicated in the relevant Final Terms) the Margin (if any), all as determined by the Calculation Agent on the Interest Determination Date and the resulting percentage being rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.
 - (ii) Where the Calculation Method is specified in the relevant Final Terms as being "Compounded Daily SONIA Index", the Rate of Interest for each Interest Period will be the Compounded Daily SONIA Index plus or minus (as indicated in the relevant Final Terms) the Margin (if any), all as determined by the Calculation Agent on the

Interest Determination Date and the resulting percentage being rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.

- (iii) Where the Calculation Method is specified in the relevant Final Terms as being “SONIA Weighted Average”, the Rate of Interest for each Interest Period will be the Weighted Average SONIA plus or minus (as indicated in the relevant Final Terms) the Margin (if any), all as determined by the Calculation Agent on the Interest Determination Date and the resulting percentage being rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.

For these purposes, the SONIA reference rate in respect of any calendar day which is not a London Banking Day shall, subject to the preceding proviso, be deemed to be the SONIA reference rate in respect of the London Banking Day immediately preceding such calendar day.

Where the Rate of Interest for each Interest Period is calculated in accordance with Condition 7(d)(ii) and subject to Condition 7(j), if the relevant SONIA Compounded Index Value is not published or displayed by the administrator of the SONIA reference rate or other information service by 5.00 p.m. (London time) (or, if later, by the time falling one hour after the customary or scheduled time for publication thereof in accordance with the then-prevailing operational procedures of the administrator of the SONIA reference rate or of such other information service, as the case may be) on the relevant Interest Determination Date, the Rate of Interest shall be calculated for the Interest Period for which the SONIA Compounded Index Value is not available in accordance with Condition 7(d)(i) above and for these purposes the “Observation Method” shall be deemed to be “Shift” and the “Relevant Screen Page” shall be deemed to be the “Relevant Fallback Screen Page” as specified in the relevant Final Terms.

(v) Subject to Condition 7(j), where SONIA is specified as the Reference Rate in the relevant Final Terms and (i) Compounded Daily SONIA is specified in the relevant Final Terms; or (ii) Compounded Daily SONIA Index is specified in the relevant Final Terms, if, in respect of any London Banking Day, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) determines that the SONIA reference rate is not available on the Relevant Screen Page or Compounded Daily SONIA Index is specified in the relevant Final Terms or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be:

Notwithstanding the foregoing, in the event of the Bank of England publishing guidance as to (i) how the SONIA reference rate is to be determined or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms), as applicable, shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance to determine the SONIA reference rate for so long as the SONIA reference rate is not available or has not been published by the authorised distributors. To the extent that any amendments or modifications to the Conditions or the Agency Agreement are required in order for the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) to follow such guidance in order to determine the SONIA reference rate, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) shall have no obligation to act until such amendments or modifications have been made in accordance with the Conditions and the Agency Agreement.

Subject to Condition 7(j), in the event that the Rate of Interest for the relevant Interest Period cannot be determined in accordance with the foregoing provisions by the Calculation Agent, the Rate of Interest for such Interest Period shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period), (ii) if there is no such preceding Interest Determination Date and the relevant Interest Period is the first Interest Period for the Notes, the initial Rate of Interest which would have been applicable to such Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period) or (iii) if there is no such preceding Interest Determination Date and the relevant Interest Period is not the first Interest Period for the Notes, the Rate of Interest which applied to the immediately preceding Interest Period.

If the relevant Series of Notes become due and payable in accordance with Condition 15, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the relevant Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest

on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date and as if (solely for the purpose of such interest determination) the relevant Interest Period had been shortened accordingly.

- (e) *ISDA Determination*: If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where “**ISDA Rate**” in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
- (i) If the Final Terms specify either “2006 ISDA Definitions” or “2021 ISDA Definitions” as the applicable ISDA Definitions:
 - (A) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (B) the Designated Maturity (as defined in the ISDA Definitions), if applicable is a period specified in the relevant Final Terms;
 - (C) the relevant Reset Date (as defined in the ISDA Definitions) unless otherwise specified in the relevant Final Terms, has the meaning given to it in the ISDA Definitions;
 - (D) if the specified Floating Rate Option is an Overnight Floating Rate Option (as defined in the ISDA Definitions), Compounding is specified to be applicable in the relevant Final Terms and:
 - (a) Compounding with Lookback is specified as the Compounding Method in the relevant Final Terms, Lookback is the number of Applicable Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms; or
 - (b) Compounding with Observation Period Shift is specified as the Compounding Method in the relevant Final Terms, (a) Observation Period Shift is the number of Observation Period Shift Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms, and (b) Observation Period Shift Additional Business Days (as defined in the ISDA Definitions), if applicable, are the days specified in the relevant Final Terms; or
 - (c) Compounding with Lockout is specified as the Compounding Method in the relevant Final Terms, (a) Lockout is the number of Lockout Period Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms, and (b) Lockout Period Business Days, if applicable, are the days specified in the relevant Final Terms;

- (E) if the specified Floating Rate Option is an Overnight Floating Rate Option (as defined in the ISDA Definitions), Averaging is specified to be applicable in the relevant Final Terms and:
- (a) Averaging with Lookback is specified as the Averaging Method in the relevant Final Terms, Lookback is the number of Applicable Business Days (as defined in the ISDA Definitions) as specified in relevant Final Terms; or
 - (b) Averaging with Observation Period Shift is specified as the Averaging Method in the relevant Final Terms, (a) Observation Period Shift is the number of Observation Period Shift Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms, and (b) Observation Period Shift Additional Business Days (as defined in the ISDA Definitions), if applicable, are the days specified in the relevant Final Terms; or
 - (c) Averaging with Lockout is specified as the Averaging Method in the relevant Final Terms, (a) Lockout is the number of Lockout Period Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms, and (b) Lockout Period Business Days, if applicable, are the days specified in the relevant Final Terms; and
- (i) if the specified Floating Rate Option is an Index Floating Rate Option (as defined in the ISDA Definitions) and Index Provisions are specified to be applicable in the relevant Final Terms, the Compounded Index Method with Observation Period Shift shall be applicable and, (a) Observation Period Shift is the number of Observation Period Shift Business Days (as defined in the ISDA Definitions) specified in the relevant Final Terms and (b) Observation Period Shift Additional Business Days (as defined in the ISDA Definitions), if applicable, are the days specified in the relevant Final Terms.
- (ii) in connection with any Compounding Method, Averaging Method or Index Method specified in the relevant Final Terms, references in the ISDA Definitions to:
- (A) "Confirmation" shall be references to the relevant Final Terms;
 - (B) "Calculation Period" shall be references to the relevant Interest Period;
 - (C) "Termination Date" shall be references to the Maturity Date; and
 - (D) "Effective Date" shall be references to the Interest Commencement Date.
- (iii) if the Final Terms specify "2021 ISDA Definitions" as the applicable ISDA Definitions,
- (A) "Administrator/ Benchmark Event" shall be disappled; and

- (B) if the Temporary Non-Publication Fallback in respect of any specified Floating Rate Option is specified to be “Temporary Non-Publication – Alternative Rate” in the Floating Rate Matrix of the 2021 ISDA Definitions, the reference to “Calculation Agent Alternative Rate Determination” in the definition of “Temporary Non-Publication – Alternative Rate” shall be replaced by “Temporary Non-Publication Fallback – Previous Day’s Rate”; and
- (iv) if Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to 2 rates based on the relevant Floating Rate Option, where:
 - (A) one rate shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period; and
 - (B) the other rate shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period

provided, however, that if there is no rate available for a period of time next shorter than the length of the relevant Interest Period or, as the case may be, next longer than the length of the relevant Interest Period, then the Financial Adviser (as defined below) shall determine such rate at such time and by reference to such sources as it determines appropriate.

For the purposes of this sub-paragraph (E), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

- (f) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (g) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a “sub-unit” means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means 1 cent.
- (h) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than

the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

(i) *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

(j) *Benchmark Discontinuation:*

(i) If a Benchmark Event occurs in relation to the Reference Rate when the Rate of Interest (or any component part thereof) for any Interest Period remains to be determined by reference to such Reference Rate, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 7(j)(ii)) and, in either case, an Adjustment Spread, if any (in accordance with Condition 7(j)(iii)) and any Benchmark Amendments (in accordance with Condition 7(j)(iv)).

In making such determination an Independent Adviser appointed pursuant to this Condition 7(j) shall act in good faith and in a commercially reasonable manner as an expert. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Fiscal Agent, the Agents or the Noteholders for any determination made by it pursuant to this Condition 7(j).

If (i) the Issuer is unable to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 7(j) prior to the date which is 10 business days prior to the relevant Interest Determination Date, the Reference Rate applicable to the immediate following Interest Period shall be the Reference Rate applicable as at the last preceding Interest Determination Date. If there has not been a first Interest Payment Date, the Reference Rate shall be the Reference Rate applicable to the first Interest Period. For the avoidance of doubt, any adjustment pursuant to this paragraph shall apply to the immediately following Interest Period only. Any subsequent Interest Period is subject to the subsequent operation of this Condition 7(j).

(ii) If the Independent Adviser determines in its discretion that:

(A) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Reference Rate to determine the Rate of Interest for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 7(j); or

- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Reference Rate to determine the Rate of Interest for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 7(j).
- (iii) The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or the Alternative Rate (as applicable) will apply without an Adjustment Spread.
- (iv) If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 7(j) and the Independent Adviser determines in its discretion (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”), and (ii) the terms of the Benchmark Amendments, then the Issuer shall, following consultation with the Fiscal Agent (or the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest and the Interest Amount(s)), subject to giving notice thereof in accordance with Condition 7(j)(v), without any requirement for the consent or approval of relevant Noteholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice (and for the avoidance of doubt, the Fiscal Agent shall, at the direction and expense of the Issuer, consent to and effect such consequential amendments to the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 7(j)).

Notwithstanding any other provision of this Condition 7(j), the Calculation Agent or any Paying Agent is not obliged to concur with the Issuer or the Independent Adviser in respect of any changes or amendments as contemplated under this Condition 7(j) to which, in the sole opinion of the Calculation Agent or the relevant Paying Agent, as the case may be, would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the protective provisions afforded to the Calculation Agent or the relevant Paying Agent (as applicable) in the Agency Agreement and/or these Conditions.

In connection with any such variation in accordance with this Condition 7(j)(iv), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

- (v) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 7(j) will be notified at least 10 business days prior to the relevant Interest Determination Date by the Issuer to the Fiscal Agent, the Calculation Agent and the Other Agents. In accordance with Condition 21, notice shall be provided to the Noteholders promptly thereafter. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

- (vi) No later than notifying the Noteholders of the same, the Issuer shall deliver to the Fiscal Agent a certificate signed by two authorised signatories of the Issuer:
 - (A) confirming (x) that a Benchmark Event has occurred, (y) the relevant Successor Rate, or, as the case may be, the relevant Alternative Rate and, (z) where applicable, any Adjustment Spread and/or the specific terms of any relevant Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 7(j); and
 - (B) certifying that the relevant Benchmark Amendments (if any) are necessary to ensure the proper operation of such relevant Successor Rate, Alternative Rate and (in either case) the applicable Adjustment Spread.

The Fiscal Agent shall display such certificate at its offices, for inspection by the Noteholders at all reasonable times during normal business hours, or by electronic means at the discretion of the Fiscal Agent.

- (vii) Each of the Fiscal Agent, the Calculation Agent and the Paying Agents shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of such Successor Rate or Alternative Rate and such Adjustment Spread (if any) and such Benchmark Amendments (if any)) be binding on the Issuer, the Fiscal Agent, the Calculation Agent, the Other Agents and the Noteholders. The Calculation Agent, the Fiscal Agent and the Other Agents may rely on any such certificate without any further enquiry, and shall not be obliged to verify whether the same contains a manifest error or whether the Issuer has acted in bad faith.

Notwithstanding any other provision of this Condition 7(j), if following the determination of any Successor Rate, Alternative Rate, Adjustment Spread (if any) or Benchmark Amendments (if any), in the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 7(j), the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable (other than due to its own gross negligence, wilful default or fraud) to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and (in the absence of such gross negligence, wilful default or fraud) shall not incur any liability for not doing so.

- (viii) Without prejudice to the obligations of the Issuer under Condition 7(j)(i), (ii), (iii) and (iv), the Reference Rate and the fallback provisions provided for in the definition of the term "Reference Rate" in Condition 7(c) will continue to apply unless and until a Benchmark Event has occurred.

- (ix) As used in this Condition 7(j):

"Adjustment Spread" means either (a) a spread (which may be positive, negative, or zero), or (b) a formula or methodology for calculating a spread, in each case to be applied to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) if no such recommendation has been made, or in the case of an Alternative Rate, the Independent Adviser determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Reference Rate; or
- (C) if the Independent Adviser determines that no such spread is customarily applied, the Independent Adviser determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (D) if no such spread, formula or methodology can be determined in accordance with (A) to (C) above, the Independent Adviser, and acting in good faith and in a commercially reasonable manner, determines to be appropriate, having regard to the objective, so far as is reasonably practicable in the circumstances and solely for the purposes of this sub-paragraph (D) only, of reducing or eliminating any economic prejudice or benefit (as the case may be) to the Noteholders.

“Alternative Rate” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 7(j)(ii) is customarily applied international debt capital markets for the purposes of determining floating rates of interest (or the relevant component part thereof) in the Specified Currency.

“Benchmark Amendments” has the meaning given to it in Condition 7(j)(iv).

“Benchmark Event” means:

- (A) the Reference Rate ceasing to be published for a period of at least five (5) Business Days or ceasing to exist; or
- (B) a public statement by the administrator of the Reference Rate that it has ceased or that it will cease publishing the Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Reference Rate); or
- (C) a public statement by the supervisor of the administrator of the Reference Rate, that the Reference Rate has been or will be permanently or indefinitely discontinued; or
- (D) a public statement by the supervisor of the administrator of the Reference Rate as a consequence of which the Reference Rate will be prohibited from being used either generally, or in respect of the relevant Floating Rate Notes; or
- (E) the making of a public statement by the supervisor of the administrator of the Reference Rate that the Reference Rate is or will be (or is or will be deemed by such supervisor to be) no longer representative of its relevant underlying market; or
- (F) it has become unlawful for any Paying Agent, the Calculation Agent, the Issuer or any other party to calculate any Rate of Interest using the Reference Rate,

provided that the Benchmark Event shall be deemed to occur (I) in the case of sub-paragraphs (B) and (C) above, on the date of the cessation of publication of the Reference

Rate or the discontinuation of the Reference Rate, as the case may be, (II) in the case of subparagraph (D) above, on the date of the prohibition of use of the Reference Rate, and (III) in the case of sub-paragraph (E) above, on the date with effect from which the Reference Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

The occurrence of a Benchmark Event shall be determined by the Issuer and promptly notified to the Fiscal Agent, the Calculation Agent and the Paying Agents. For the avoidance of doubt, neither the Fiscal Agent, the Calculation Agent nor the Paying Agents shall have any responsibility for making such determination.

“business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the Calculation Agent.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser experienced in the international capital markets, in each case appointed by the Issuer at its own expense under Condition 7(j)(i).

“Relevant Nominating Body” means, in respect of a benchmark or screen rate (as applicable):

- (A) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (B) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities, or (d) the Financial Stability Board or any part thereof.

“Successor Rate” means a successor to or replacement of the Reference Rate which is formally recommended by any Relevant Nominating Body.

8 Step Up Event

This Condition 8 applies to Notes in respect of which the relevant Final Terms indicate that the Step Up Option is applicable (the **“Step Up Sustainability-Linked Notes”**). The Rate of Interest for Step Up Sustainability-Linked Notes will be the Rate of Interest specified in, or determined in the manner specified in Condition 6 or Condition 7, as applicable, and in the relevant Final Terms, provided that if a Step Up Event has occurred (which for the avoidance of doubt includes the failure by the Issuer to comply with the applicable Reporting Requirements by no later than the relevant Notification Deadline), then for the calculation of the Interest Amount with respect to any Interest Period commencing following the occurrence of a Step Up Event, the Rate of Interest, in the case that the Fixed Rate Note Provisions are applicable, or the Margin, in the case that the Floating Rate Note Provisions are applicable, shall be increased by the applicable Step Up Margin specified in the relevant Final Terms.

The Issuer will give notice of the occurrence of a Step Up Event or satisfaction of the relevant Sustainability-Linked Condition, as specified in the relevant Final Terms, to the Noteholders in

accordance with Condition 21 as soon as reasonably practicable after such occurrence and, in respect of a Step Up Event, by no later than the Step Up Date. Such notice shall be irrevocable and shall specify the Rate of Interest (in the case that the Fixed Rate Note Provisions are applicable) or the Margin (in the case that the Floating Rate Note Provisions are applicable) and, in the case of a Step Up Event, the Step Up Margin and the Step Up Date.

For the avoidance of doubt, an increase in the Rate of Interest resulting from a Step Up Event may occur only once in respect of Sustainability-Linked Notes and the Step Up Margin will not subsequently increase or decrease. Accordingly, if a Step Up Event occurs, the Rate of Interest, in the case that the Fixed Rate Note Provisions are applicable, or the Margin, in the case that the Floating Rate Note Provisions are applicable, shall be increased by the Step Up Margin from the Interest Period commencing following the occurrence of a Step Up Event, but there shall be no further change to the Step Up Margin regardless of whether or not either such condition is subsequently satisfied or ceases to be satisfied.

The Fiscal Agent shall not be obliged to monitor or inquire as to whether a Step Up Event has occurred or have any liability in respect thereof.

9 Redemption and Purchase

- (a) *Scheduled redemption*: Unless previously redeemed, or purchased and cancelled, the Notes will be redeemed at their Final Redemption Amount on the Maturity Date, subject as provided in Condition 12 (*Payments – Bearer Notes*).
- (b) *Redemption for tax reasons*: The Notes may be redeemed at the option of the Issuer in whole, but not in part:
 - (i) at any time (unless the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable); or
 - (ii) on any Interest Payment Date (if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable),

on giving not less than 10 nor more than 60 days' notice to the Noteholders, or such other period(s) as may be specified in the relevant Final Terms, (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if:

- (A) the Issuer (or, if demand was made under the Guarantee, the Guarantor)
 - (a) has or will become obliged to pay additional amounts as provided or referred to in Condition 14 (*Taxation*), (b) would not be entitled to claim a deduction in computing tax liabilities in Spain in respect of any interest to be paid on the next Interest Payment Date or the value of such deduction to the Issuer (or the Guarantor, as the case may be) would be materially reduced, or (c) the applicable tax treatment of the Notes changes in a material way that was not reasonably foreseeable at the Issue Date, in each case as a result of any change in, or amendment to, the laws or regulations of the Kingdom of Spain or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the date of issue of the first Tranche of the Notes; and

- (B) such obligation cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it,

provided, however, that no such notice of redemption shall be given earlier than:

1. where the Notes may be redeemed at any time, 90 days (or such other period as may be specified in the relevant Final Terms) prior to the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts if a payment in respect of the Notes (or the Guarantee, as the case may be) were then due; or
2. where the Notes may be redeemed only on an Interest Payment Date, 60 days (or such other period as may be specified in the relevant Final Terms) prior to the Interest Payment Date occurring immediately before the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts if a payment in respect of the Notes (or the Guarantee, as the case may be) were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent (A) a certificate signed by the sole director of the Issuer (or by 2 directors of the Guarantor, as the case may be) stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (B) an opinion of independent legal advisers of recognised international standing to the effect that the Issuer (or the Guarantor, as the case may be) has or will become obliged to pay such additional amounts as a result of such change or amendment. Upon the expiry of any such notice as is referred to in this Condition 9, the Issuer shall be bound to redeem the Notes in accordance with this Condition 9.

- (c) *Redemption at the option of the Issuer (Issuer Call)*: If the Call Option is specified in the relevant Final Terms as being applicable, the Notes may be redeemed at the option of the Issuer in whole or, if so specified in the relevant Final Terms, in part on any Optional Redemption Date (Call) at the relevant Optional Redemption Amount (Call) on the Issuer's giving not less than 10 nor more than 30 days' notice to the Noteholders, or such other period(s) as may be specified in the relevant Final Terms (which notice shall be irrevocable and shall oblige the Issuer to redeem the Notes or, as the case may be, the Notes specified in such notice on the relevant Optional Redemption Date (Call) at the Optional Redemption Amount (Call) plus accrued and unpaid interest (if any) to such date).

If Make-whole Amount is specified in the relevant Final Terms, the Optional Redemption Amount (Call) will be the higher of (a) 100 per cent. of the principal amount outstanding of the Notes to be redeemed and (b) the sum of the present values of the principal amount outstanding of the Notes to be redeemed and the Remaining Term Interest on such Notes (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on an annual basis at (i) the Reference Note Rate plus the Redemption Margin or (ii) the Discount Rate, in each case as specified in the relevant Final Terms. If the Make-whole Exemption Period is specified as applicable and the Issuer gives notice to redeem the Notes during the Make-whole Exemption Period, the Optional Redemption Amount (Call) will be 100 per cent. of the principal amount outstanding of the Notes to be redeemed.

In respect of a redemption of Sustainability-Linked Notes and the calculation of the Optional Redemption Amount (Call) (and the Final Redemption Amount for this purpose), if the most

recently published SLB Progress Report and Assurance Report for a Reporting Year preceding such notice of redemption shows that the Scope 1 and 2 GHG Emissions and Scope 3 GHG Emissions from Fuel and Energy-related Activities Condition, the Scope 3.1 and 3.2 GHG Emissions from Purchased Goods and Services and Capital Goods Condition, the Renewable Electricity Sourcing Condition and/or the Gender Diversity Performance Condition, has not been satisfied where such Reporting Year is a Reference Year or as applicable, would not have been satisfied had such Reporting Year been a Reference Year then:

- (A) the Rate of Interest, in the case that the Fixed Rate Note Provisions are applicable, or the Margin, in the case that the Floating Rate Note Provisions are applicable, shall be increased by the relevant Step Up Margin(s) (in each case, from the date that would have been the Step Up Date had a redemption of the Notes not occurred); and/or
- (B) the Final Redemption Amount in the case of Redemption Premium Sustainability-Linked Notes shall be deemed to have increased by the Redemption Premium Amount.

Notwithstanding the foregoing, when Make-whole Amount is specified in the relevant Final Terms, if the Residual Maturity Call Option is specified in the applicable Final Terms, and the Optional Redemption Date (Call) occurs on or after the Residual Maturity Call Option Redemption Date, then the Optional Redemption Amount (Call) will be equal to 100 per cent. of the principal amount of the Notes.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition 9(c).

In the case of a partial redemption the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

For the purposes of this Condition 9(c):

“Discount Rate” will be as set out in the relevant Final Terms.

“FA Selected Note” means a government security or securities selected by the Financial Adviser as having an actual or interpolated maturity comparable with the remaining term of the Notes that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities denominated in the same currency as the Notes and of a comparable maturity to the remaining term of the Notes.

“Financial Adviser” means the entity so specified in the relevant Final Terms or, if not so specified or if such entity is unable or unwilling to act, any financial adviser selected by the Issuer.

“Make-whole Exemption Period” will be as set out in the relevant Final Terms.

“Redemption Margin” will be as set out in the relevant Final Terms.

“Reference Note” shall be the note so specified in the relevant Final Terms or, if not so specified or if no longer available, the FA Selected Note.

“Reference Note Price” means, with respect to any date of redemption: (a) the arithmetic average of the Reference Government Note Dealer Quotations for such date of redemption, after excluding the highest and lowest such Reference Government Note Dealer Quotations or (b) if the Financial Adviser obtains fewer than 4 such Reference Government Note Dealer Quotations, the arithmetic average of all such quotations.

“Reference Note Rate” means, with respect to any date of redemption, the rate per annum equal to the annual or semi-annual yield (as the case may be) to maturity or interpolated yield to maturity (on the relevant day count basis) of the Reference Note, assuming a price for the Reference Note (expressed as a percentage of its principal amount) equal to the Reference Note Price for such date of redemption.

“Reference Date” will be set out in the relevant notice of redemption, such date to fall no earlier than the date falling 15 days prior to the date of such notice.

“Reference Government Note Dealer” means each of 5 banks selected by the Issuer which are (a) primary government securities dealers, and their respective successors, or (b) market makers in pricing corporate note issues.

“Reference Government Note Dealer Quotations” means, with respect to each Reference Government Note Dealer and any date for redemption, the arithmetic average, as determined by the Financial Adviser, of the bid and offered prices for the Reference Note (expressed in each case as a percentage of its principal amount) at the Quotation Time specified in the relevant Final Terms on the Reference Date quoted in writing to the Financial Adviser by such Reference Government Note Dealer.

“Remaining Term Interest” means with respect to any Note, the aggregate amount of scheduled payment(s) of interest on such Note for the remaining term of such Note determined on the basis of the rate of interest applicable to such Note from and including the date on which such Note is to be redeemed by the Issuer in accordance with this Condition 9(c).

(d) *Residual Maturity Call Option:* If a Residual Maturity Call Option is specified in the relevant Final Terms as being applicable, the Issuer may, on giving not less than 10 nor more than 30 days’ irrevocable notice to the Noteholders in accordance with Condition 21 (which notice shall specify the date fixed for redemption (the **“Residual Maturity Call Option Redemption Date”**)), redeem the Notes comprising the relevant Series, in whole but not in part, at their principal amount together with any accrued and unpaid interest up to (but excluding) the date fixed for redemption, which shall be no earlier than (i) 3 months before the Maturity Date in respect of Notes having a maturity of not more than 10 years or (ii) 6 months before the Maturity Date in respect of Notes having a maturity of more than 10 years.

For the purpose of the preceding paragraph, the maturity of not more than 10 years or the maturity of more than 10 years shall be determined as from the Issue Date of the first Tranche of the relevant Series of Notes.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

Mutilated or defaced Notes, Note Certificates or Coupons must be surrendered before replacements will be issued.

18 Agents

In acting under the Agency Agreement and in connection with the Notes and the Coupons, the Paying Agents act solely as agents of the Issuer and the Guarantor and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Paying Agents and their initial Specified Offices are listed below. The initial Calculation Agent (if any) is specified in the relevant Final Terms. The Issuer and the Guarantor reserve the right at any time to vary or terminate the appointment of any Paying Agent and to appoint a successor fiscal agent or registrar or Calculation Agent and additional or successor paying agents; provided, however, that:

Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer or the Guarantor and shall be convened by them upon the request in writing of Noteholders holding not less than one-tenth of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be 2 or more persons holding or representing one more than half of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, 2 or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented; provided, however, that Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which 2 or more persons holding or representing not less than 3-quarters or, at any adjourned meeting, one quarter of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of Noteholders of not less than 90% of the aggregate principal amount of the outstanding Notes will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one

document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification*: The Notes, these Conditions, the Deed of Covenant and the Deed of Guarantee may be amended without the consent of the Noteholders or the Couponholders to correct a manifest error. In addition, the parties to the Agency Agreement may agree to modify any provision thereof, but the Issuer and the Guarantor shall not agree, without the consent of the Noteholders, to any such modification unless it is of a formal, minor or technical nature, it is made to correct a manifest error or it is, in the sole opinion of the Issuer or the Guarantor (as the case may be), not materially prejudicial to the interests of the Noteholders.

20 Further Issues

The Issuer may from time to time, without the consent of the Noteholders, create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes.

as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency, and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and the Guarantor and shall give rise to a separate and independent cause of action.

23 Rounding

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005% being rounded up to 0.00001%), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest 2 decimal places in such currency, with 0.005 being rounded upwards.

An individual (who may, but need not, be a Noteholder) nominated in writing by the Issuer may take the chair at any meeting but, if no such nomination is made or if the individual nominated is not present within 15 minutes after the time fixed for the meeting, those present shall elect one of themselves to take the chair failing which, the Issuer may appoint a Chairperson. The Chairperson of an adjourned meeting need not be the same person as was the Chairperson of the original meeting.

9 Quorum

The quorum at any meeting shall be at least two Voters representing or holding not less than the Relevant Fraction of the aggregate principal amount of the outstanding Notes; *provided, however, that*, so long as at least the Relevant Fraction of the aggregate principal amount of the outstanding Notes is represented by a Global Note, a single Proxy representing the Holder thereof shall be deemed to be two Voters for the purpose of forming a quorum.

If within 15 minutes after the time fixed for any meeting a quorum is not present, then:

- (a) in the case of a meeting requested by Noteholders, it shall be dissolved; and
- (b) in the case of any other meeting, it shall be adjourned for such period (which shall be not less than 14 days and not more than 42 days) and to such place as the Chairperson determines; *provided, however, that:*
 - (i) the meeting shall be dissolved if the Issuer so decides; and
 - (ii) no meeting may be adjourned more than once for want of a quorum.

11 Adjourned Meeting

The Chairperson may, with the consent of (and shall if directed by) any meeting, adjourn such meeting from time to time and from place to place and alternate manner, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.

12 Notice following adjournment

Paragraph 7 (*Notice*) shall apply to any meeting which is to be resumed after adjournment for want of a quorum save that:

- (a) 10 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is to be resumed) shall be sufficient; and
- (b) the notice shall specifically set out the quorum requirements which will apply when the meeting resumes.

It shall not be necessary to give notice of the resumption of a meeting which has been adjourned for any other reason.

Every question submitted to a meeting shall be decided in the first instance by a show of hands. Unless a poll is validly demanded before or at the time that the result is declared, the Chairperson's declaration that on a show of hands a resolution has been passed, passed by a particular majority, rejected or rejected by a particular majority shall be conclusive, without proof of the number of votes cast for, or against, the resolution. Where there is only one Voter, this paragraph shall not apply and the resolution will immediately be decided by means of a poll.

15 Poll

A demand for a poll shall be valid if it is made by the Chairperson, the Issuer, the Guarantor or one or more Voters representing or holding not less than one fiftieth of the aggregate principal amount of the outstanding Notes. The poll may be taken immediately or after such adjournment as the Chairperson directs, but any poll demanded on the election of the Chairperson or on any question of adjournment shall be taken at the meeting without adjournment. A valid demand for a poll shall not prevent the continuation of the relevant meeting for any other business as the Chairperson directs.

16 Votes

Every Voter shall have:

- (a) on a show of hands, one vote; and
- (b) on a poll, the number of votes obtained by dividing the aggregate principal amount of the outstanding Note(s) represented or held by him by the unit of currency in which the Notes are denominated.

In the case of a voting tie the Chairperson shall have a casting vote.

Unless the terms of any Block Voting Instruction state otherwise, a Voter shall not be obliged to exercise all the votes to which they are entitled or to cast all the votes which they exercise in the same way.

17 Validity of Votes by Proxies

Any vote by a Proxy in accordance with the relevant Block Voting Instruction or, as the case may be, Form of Proxy shall be valid even if such Block Voting Instruction or, as the case may be, Form of Proxy or any instruction pursuant to which they were respectively given has been amended or revoked, *provided that*, in the case of a Proxy for a Holder of Bearer Notes, the Fiscal Agent and in the case of a Proxy for a Holder of Registered Notes, the Registrar, has not been notified in writing of such amendment or revocation by the time which is 24 hours before the time fixed for the relevant meeting. Unless revoked, any appointment of a Proxy under a Block Voting Instruction or, as the case may be, Form of Proxy in relation to a meeting shall remain in force in relation to any resumption of such meeting following an adjournment; *provided, however, that* no such appointment of a Proxy in relation to a meeting originally convened which has been adjourned for want of a quorum shall remain in force in relation to such meeting when it is resumed. Any person appointed to vote at such a meeting must be re-appointed under a Block Voting Instruction or, as the case may be, Form of Proxy to vote at the meeting when it is resumed.

18 Powers

A meeting shall have power (exercisable by Extraordinary Resolution), without prejudice to any other powers conferred on it or any other person:

- (a) to approve any Reserved Matter;
- (b) to approve any proposal by the Issuer or the Guarantor for any modification, abrogation, variation or compromise of any of the Conditions or any arrangement in respect of the obligations of the Issuer or the Guarantor under or in respect of the Notes;

- (c) to approve any proposal by the Issuer for any modification of any provision of the Deed of Covenant or any arrangement in respect of the obligations of the Issuer thereunder;
- (d) to approve the substitution of any person for the Issuer or the Guarantor (or any previous substitute) as principal obligor or guarantor under the Notes and the Deed of Covenant;
- (e) to waive any breach or authorise any proposed breach by the Issuer or the Guarantor of their respective obligations under or in respect of the Notes, the Deed of Covenant or the Deed of Guarantee or any act or omission which might otherwise constitute an event of default under the Notes;
- (f) to authorise the Fiscal Agent or any other person to execute all documents and do all things necessary to give effect to any Extraordinary Resolution;
- (g) to give any other authorisation or approval which is required to be given by Extraordinary Resolution; and
- (h) to appoint any persons as a committee to represent the interests of the Noteholders and to confer upon such committee any powers which the Noteholders could themselves exercise by Extraordinary Resolution.

19 Extraordinary Resolution binds all Holders

An Extraordinary Resolution shall be binding upon all Noteholders and holders of Coupons and Talons whether or not present at such meeting and each of the Noteholders shall be bound to give effect to it accordingly. Notice of the result of every vote on an Extraordinary Resolution shall be given to the Noteholders and the Paying Agents (with a copy to the Issuer and the Guarantor) within 14 days of the conclusion of the meeting.

20 Minutes

Minutes shall be made of all resolutions and proceedings at each meeting. The Chairperson shall sign the minutes, which shall be prima facie evidence of the proceedings recorded therein. Unless and until the contrary is proved, every such meeting in respect of the proceedings of which minutes have been summarised and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

21 Written Resolution and Electronic Consent

Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Noteholders.

For so long as the Notes are in the form of a Global Note held on behalf of, or a Global Registered Note registered in the name of any nominee for, one or more of Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking, S.A. ("**Clearstream, Luxembourg**") or an alternative clearing system, then, in respect of any resolution proposed by the Issuer or the Guarantor:

- (a) *Electronic Consent*: where the terms of the resolution proposed by the Issuer or the Guarantor (as the case may be) have been notified to the Noteholders through the relevant clearing system(s), as provided in sub-paragraphs (i) and/or (ii) below, each of the Issuer and the Guarantor shall be entitled to rely upon approval of such

resolution given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) to the Fiscal Agent or another specified agent in accordance with their operating rules and procedures by or on behalf of the holders of not less than 90 per cent. in principal amount of the Notes outstanding (the “**Required Proportion**”) (“**Electronic Consent**”) by close of business on the Relevant Date (as defined below). Any resolution passed in such manner shall be binding on all Noteholders, even if the relevant consent or instruction proves to be defective. Neither the Issuer nor the Guarantor shall be liable or responsible to anyone for such reliance;

- (i) When a proposal for a resolution to be passed as an Electronic Consent has been made, at least 10 days’ notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the “**Relevant Date**”) by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
- (ii) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the “**Proposer**”) so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to this Agreement. Alternatively, the Proposer may give a further notice to Noteholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Issuer or the Guarantor (unless the Issuer or the Guarantor is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (i) above. For the purpose of such further notice, references to “Relevant Date” shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the Issuer or the Guarantor which is not then the subject of a meeting that has been validly convened in accordance with paragraph 6 above, unless that meeting is or shall be cancelled or dissolved; and

- (b) *Written Resolution*: where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Issuer and the Guarantor shall be entitled to rely on consent or instructions given in writing directly to the Issuer and/or the Guarantor, as the case may be, (i) by accountholders in the clearing system(s) with entitlements to such Global Note or Global Registered Note and/or, (ii) where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by that accountholder as the person for whom such entitlement is held. For the purpose of establishing the entitlement to give any such consent or instruction, the Issuer and the Guarantor shall be entitled to rely on any certificate or other document issued by, in the case of (i) above, Euroclear, Clearstream, Luxembourg or any other

relevant alternative clearing system (the “**relevant clearing system**”) and in the case of (ii) above, the relevant clearing system and the accountholder identified by the relevant clearing system for the purposes of (ii) above. Any resolution passed in such manner shall be binding on all Noteholders, even if the relevant consent or instruction proves to be defective. Any such certificate or other document shall be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Issuer and/or the Guarantor shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

A Written Resolution shall take effect as if it were an Extraordinary Resolution. A Written Resolution and/or Electronic Consent will be binding on all Noteholders, whether or not they participated in such Written Resolution and/or Electronic Consent.

Additional provisions applicable to virtual and/or hybrid meetings

- 22** The Issuer or the Guarantor (in each case, with the Fiscal Agent’s prior approval) may decide to hold a virtual meeting or a hybrid meeting and, in such case, shall provide details of the means to attend, participate in and/or speak at the meeting, including the electronic platform to be used.
- 23** The Issuer or the Guarantor or the Chairperson (in each case, with the Fiscal Agent’s prior approval) may make any arrangement and impose any requirement or restriction as is necessary to ensure the identification of those entitled to take part in the virtual meeting or hybrid meeting and the suitability of the electronic platform. All documentation that is required to be passed between persons at or for the purposes for the virtual meeting or persons attending the hybrid meeting via the electronic platform (in each case, in whatever capacity) shall be communicated by email (or such other medium of electronic communication as the Fiscal Agent may approve).
- 24** All resolutions put to a virtual meeting or a hybrid meeting shall be voted on by a poll in accordance with paragraphs 14-16 above (inclusive).
- 25** Persons seeking to attend, participate in, speak at or join a virtual meeting or a hybrid meeting via the electronic platform, shall be responsible for ensuring that they have access to the facilities (including, without limitation, IT systems, equipment and connectivity) which are necessary to enable them to do so.
- 26** In determining whether persons are attending, participating in or joining a virtual meeting or a hybrid meeting via the electronic platform, it is immaterial whether any two or more members attending it are in the same physical location as each other or how they are able to communicate with each other.
- 27** Two or more persons who are not in the same physical location as each other attend a virtual meeting or a hybrid meeting if their circumstances are such that if they have (or were to have) rights to speak or vote at that meeting, they are (or would be) able to exercise them.

- 28** The chairperson of the meeting reserves the right to take such steps as the chairperson shall determine in its absolute discretion to avoid or minimise disruption at the meeting, which steps may include (without limitation), in the case of a virtual meeting or a hybrid meeting, muting the electronic connection to the meeting of the person causing such disruption for such period of time as the chairperson may determine.¹
- 29** The Issuer or the Guarantor (in each case, with the Fiscal Agent's prior approval) may make whatever arrangements they consider appropriate to enable those attending a virtual meeting or a hybrid meeting to exercise their rights to speak or vote at it.
- 30** A person is able to exercise the right to speak at a virtual meeting or a hybrid meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, as contemplated by the relevant provisions of this Schedule.
- 31** A person is able to exercise the right to vote at a virtual meeting or a hybrid meeting when:
- (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting; and
 - (b) that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting who are entitled to vote at such meeting.
- 32** The Fiscal Agent shall not be responsible or liable to the Issuer or the Guarantor or any other person for the security of the electronic platform used for any virtual meeting or hybrid meeting or for accessibility or connectivity or the lack of accessibility or connectivity to any virtual meeting or hybrid meeting.

¹ In circumstances where there is a persistent speaker or questioner who is disruptive, the chair may, having given due consideration to the points or questions raised, as a last resort, put that attendee's line on mute so that the business of the meeting may proceed whilst allowing them to continue to be part of the meeting and to vote at the relevant stage in the meeting.

Procedures for Compliance with Spanish Tax Legislation

The following is a summary of the procedures implemented to facilitate collection of the relevant information necessary to enable the Issuer, or the Guarantor as the case may be, to comply with its reporting obligations pursuant to Additional Provision One of Law 10/2014 and Royal Decree 1065/2007, as amended by Royal Decree 1145/2011, of 29 July.

The following is only a summary and is subject to any changes in Spanish tax law and/or regulations, or the interpretation thereof, which the Spanish tax authorities may promulgate from time to time.

- 1** *Certificate:* In connection with each payment in respect of any series of Notes, the Fiscal Agent shall deliver to the Issuer or the Guarantor (as the case may be) by close of business on the Business Day immediately preceding the day on which such payment is made (the “**Certificate Time**”) a duly completed and executed certificate in the form set forth in Annex 1 hereto (a “**Payment Information Certificate**”). The Payment Information Certificate will reflect the information required to be reported in it at the Certificate Time according to Royal Decree 1065/2007. Such Payment Information Certificate may be delivered by email, in .pdf form, or by fax, provided that the original of the relevant Payment Information Certificate is received by the Issuer or the Guarantor (as the case may be) by no later than the 10th day of the month immediately following the relevant day for payment as described above.
- 2** *Preparations for payment:* The Fiscal Agent will prepare the credit confirmation for Euroclear and Clearstream, Luxembourg, based on the documentation (if any) received from the Common Depository or, as the case may be, the Common Service Provider, and provided that no communication to the contrary has been previously received from the Issuer or the Guarantor (as the case may be) before that time.
- 3** Payment Upon Receipt of the Payment Information Certificate:

 - (a) If the Payment Information Certificate is delivered by the Fiscal Agent in a timely manner to the Issuer or the Guarantor (as the case may be) duly completed, the relevant income payment will be made free and clear of Spanish withholding tax.
 - (b) In such a case, the Issuer or the Guarantor (as the case may be) will transfer to the Fiscal Agent for value on the relevant payment date (as described under paragraph 1 above) 100% of the amount then due and payable in respect of the relevant Notes (as applicable).
 - (c) On the relevant payment date, the Fiscal Agent will transfer to Euroclear and Clearstream, Luxembourg, 100% of the amount due and payable in respect of the relevant Notes.
 - (d) Euroclear and Clearstream, Luxembourg and their Participants and Customers will credit the relevant amounts to the accounts of those persons who were holders of Notes as of the payment date.
- 4** Payment Upon Failure to Deliver the Payment Information Certificate:

 - (a) The Issuer or the Guarantor (as the case may be) will transfer to the Fiscal Agent for value on the relevant payment date 100% of the income due and payable on the Notes.

- (b) If the Issuer or the Guarantor (as the case may be) has not received a duly executed and completed Payment Information Certificate by the Certificate Time, the Issuer or the Guarantor (as the case may be) shall no later than 11.00 a.m. (CET) on the relevant payment date, instruct the Fiscal Agent to withhold Spanish income tax on behalf of the Issuer or the Guarantor (as the case may be) from the relevant payment at the then-applicable rate (currently, 19%). In the absence of such an instruction the Fiscal Agent shall pay the relevant payment amount free and clear of Spanish withholding tax.
- (c) If, after the relevant payment date but before the 10th day of the month immediately following the relevant payment date the Fiscal Agent provides the duly completed Payment Information Certificate to the Issuer or the Guarantor (as the case may be), then the Issuer or the Guarantor (as the case may be) shall instruct the Fiscal Agent to immediately transfer the relevant withholding tax (currently, 19%) deducted in respect of the relevant payment pursuant to paragraph 4(b) above by way of reimbursement of the amounts withheld on the relevant payment date and completion of the corresponding payment in respect of payments under the Notes.
- (d) If the Fiscal Agent fails or for any reason is unable to submit a duly completed and executed Payment Information Certificate to the Issuer or the Guarantor (as the case may be) by the 10th day of the month immediately following the relevant payment date, the Fiscal Agent shall immediately return (but in any event no later than the 10th day of the month immediately following the relevant payment date) to the Issuer or the Guarantor (as the case may be) any remaining amount of the withholding tax (currently, 19%) deducted in respect of the relevant payment, and investors will have to apply directly to the Spanish tax authorities for any refund to which they may be entitled.

Set out below is the Annex provided by Royal Decree 1065/2007, as amended by Royal Decree 1145/2011, of 29 July. Sections in English have been translated from the original Spanish. In the event of any discrepancy, the Spanish version will prevail.

Schedule 8

Regulations Concerning Transfers and Registration of Registered Notes

- 1 *Change of amount.* The Fiscal Agent will (to the extent known to it) promptly provide to the ICSDs (through the Common Service Provider) notice of any changes to the Notes that will affect the amount of, or date for, any payment due under the Notes.
- 2 Subject to paragraph 4 and paragraph 11 below, Registered Notes may be transferred by execution of the relevant form of transfer under the hand of the transferor or, where the transferor is a corporation, under its common seal or under the hand of two of its officers duly authorised in writing. Where the form of transfer is executed by an attorney or, in the case of a corporation, under seal or under the hand of two of its officers duly authorised in writing, a copy of the relevant power of attorney certified by a financial institution in good standing or a notary public or in such other manner as the Registrar may require or, as the case may be, copies certified in the manner aforesaid of the documents authorising such officers to sign and witness the affixing of the seal must be delivered with the form of transfer. In this Schedule, “**transferor**” shall, where the context permits or requires, include joint transferors and shall be construed accordingly.
- 3 The Note Certificate issued in respect of the Registered Notes to be transferred must be surrendered for registration, together with the form of transfer (including any certification as to compliance with restrictions on transfer included in such form of transfer) endorsed thereon, duly completed and executed, at the Specified Office of the Registrar or any Transfer Agent, and together with such evidence as the Registrar or (as the case may be) the relevant Transfer Agent may reasonably require to prove the title of the transferor and the authority of the persons who have executed the form of transfer. The signature of the person effecting a transfer of a Registered Note shall conform to any list of duly authorised specimen signatures supplied by the Holder of such Note or be certified by a financial institution in good standing, notary public or in such other manner as the Registrar or such Transfer Agent may require.
- 4 No Noteholder may require the transfer of a Registered Note to be registered during the period of 15 calendar days ending on the due date for any payment of principal or interest in respect of such Note.
- 5 No Noteholder which has executed a Form of Proxy in relation to a Meeting of Holders of Registered Notes may require the transfer of a Note covered by such Form of Proxy to be registered until the earlier of the conclusion of the Meeting and its adjournment for want of a quorum.
- 6 The executors or administrators of a deceased Holder of a Registered Note (not being one of several joint Holders) and, in the case of the death of one or more of several joint Holders, the survivor or survivors of such joint Holders, shall be the only persons recognised by the Issuer as having any title to such Registered Note.
- 7 Any person becoming entitled to any Registered Notes in consequence of the death or bankruptcy of the Holder of such Registered Notes may, upon producing such evidence that they hold the position in respect of which they propose to act under this paragraph or of their title as the Registrar or the relevant Transfer Agent may require (including legal opinions), become registered himself as the Holder of such Notes or, subject to the provisions of these Regulations, the Notes and the Conditions as to transfer, may transfer such Registered Notes. The Issuer, the Transfer Agents, the Registrar and the Paying Agents shall be at

liberty to retain any amount payable upon the Registered Notes to which any person is so entitled until such person is so registered or duly transfers such Notes.

- 8 Unless otherwise required by him and agreed by the Issuer and the Registrar, the Holder of any Notes shall be entitled to receive only one Note Certificate in respect of their holding.
- 9 The joint Holders of any Registered Note shall be entitled to one Note Certificate only in respect of their joint holding which shall, except where they otherwise direct, be delivered to the joint Holder whose name appears first in the Register in respect of the joint holding.
- 10 Where there is more than one transferee (to hold other than as joint Holders), separate forms of transfer (obtainable from the Specified Office of the Registrar or any Transfer Agent) must be completed in respect of each new holding.
- 11 A Holder of Registered Notes may transfer all or part only of their holding of Notes provided that both the principal amount of Notes transferred and the principal amount of the balance not transferred are a Specified Denomination. Where a Holder of Registered Notes has transferred part only of their holding of Registered Notes, a new Note Certificate in respect of the balance of such holding will be delivered to him.
- 12 The Issuer, the Transfer Agents and the Registrar shall, save in the case of the issue of replacement Registered Notes pursuant to Condition 14 (*Replacement of Notes and Coupons*), make no charge to the Holders for the registration of any holding of Registered Notes or any transfer thereof or for the issue of any Registered Notes or for the delivery thereof at the Specified Office of any Transfer Agent or the Registrar or by uninsured post to the address specified by the Holder, but such registration, transfer, issue or delivery shall be effected against such indemnity from the Holder or the transferee thereof as the Registrar or the relevant Transfer Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such registration, transfer, issue or delivery.
- 13 Provided a transfer of a Registered Note is duly made in accordance with all applicable requirements and restrictions upon transfer and the Note(s) transferred are presented to a Transfer Agent and/or the Registrar in accordance with the Agency Agreement and these Regulations, and subject to unforeseen circumstances beyond the control of such Transfer Agent or the Registrar arising, such Transfer Agent or the Registrar will, within five business days of the request for transfer being duly made, deliver at its Specified Office to the transferee or despatch by uninsured post (at the request and risk of the transferee) to such address as the transferee entitled to the Registered Notes in relation to which such Note Certificate is issued may have specified, a Note Certificate in respect of which entries have been made in the Register, all formalities complied with and the name of the transferee completed on the Note Certificate by or on behalf of the Registrar; and, for the purposes of this paragraph, “**business day**” means a day on which commercial banks are open for business (including dealings in foreign currencies) in the cities in which the Registrar and (if applicable) the relevant Transfer Agent have their respective Specified Offices.
